The treatment of many thousands of cases of these common weaknesses and distressing ailments possible. Friends, the Invalids' Hotel and our local Dr. Dr. Pierce has acquired a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is too cumbersome or result, of this great and varied experience. Thousands of testimonials and personal proofs and from physicians who have tested it in the most aggravated and obstinate cases which have failed their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of a "cure-all," but is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful invigorating tonic, it imparts strength to the whole system, to the womb and its appendages in particular. For over-worked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "housewives," house-keepers, nursing mothers, and invalids, especially, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing and restorative tonic.

As a sooth ing and strengthening nerve, "Favorite Prescription" is unequalled and is invaluable in affording and subduing nervous excitability, irritability, exhaustion, debility, and all other symptoms and other distressing nervous symptoms consequent upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is logarithmic medicina, carefully compounded by an experienced and skillful physician, and is to be administered daily in its composition and perfectly harmless. Its effects are sure and certain of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and all symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for all complications of the womb, of leucorrhœa, excessive menstruation, painful menstruation, unnatural suppressions, prolapse, or falling of the womb, womb back, "female weakness," anteversion, retroversion, bearing down, etc., causing constipation, indigestion, and ulceration of the womb, delirium, pain and tenderness in ovaries, associated with "internal heat."

As a regulator and promoter of health, at first critical period, it is a shield to womanhood. "Favorite Prescription" is a perfectly safe remedy, produces only good results, and is a valuable aid in all efforts to overcome diseases and disorders, to prevent later and most critical stages of life.

"Favorite Prescription" is taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small inactive doses of Dr. Pierce's Pungitive Pellets (Little Liver Pill), emetic, purgative, Kidney and Bladder dressings. Their combined use also removes blood stains, and abolishes cancerous and scrofulous tumors from the system.

"Favorite Prescription" is the only medicine for worms, taken by druggists under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be returned. This guarantee has been carried out in a strict manner, and faithfully carried out for years.

Large Bottles, 10 doses, \$1.00, or Six Bottles for \$5.00.
